

Hello: My name is Charles [REDACTED] and I reside at [REDACTED]
[REDACTED] and I am replying to your letter dated August of 2012.

I received the Micro-ZiStocking on 8/24/12 and I am replying.
Symptoms have been reduced as of the following:

- a-reduced swelling
- b-decreased pain-from 10 to approximately 6
- c-less tingling
- d - better sleep
- e-able to walk better

In general my life is much improved as a result of these stockings and I wear than from 12 to 16 hours daily.
When I remove them some swelling and pain returns but not as much as before. I am so relieved to have this
comfort and just want to say what a great product this if for me.

Chris [REDACTED] is a very professional and knowledgeable man and I do appreciate his visit and consultation at
my home, it is such a great gesture that he was able to come to my home and also the immediate contact thru
either e mail or telephone he provides to me.

In closing I can only write thank you.

Charles M. [REDACTED]
